

**The Iowa High School Athletic Association (IHSAA), the National Federation of High Schools (NFHS), and eKnowledge continue Sponsorship of SAT and ACT PowerPrep™ Programs for High School Students in the State of Iowa.**

We are pleased to announce that the Iowa High School Athletic Association continues its support of the National SAT/ACT Prep Project through the National Federation of High Schools (NFHS) and eKnowledge. Because of this association, **Iowa students receive a 95% discount on SAT or ACT prep courses.**

This is a community-service, no-profit-project and all student fees are reinvested to improve the program and reach more families. The project has already assisted almost 300,000 families and has over 45,000 5-star reviews.

The Project started over 15 years ago and is supported by more than 300 groups, organizations, and professional athletes. A significant moment happened about 10 years ago when The **NFHS (a non-profit 501(c)(3))** began to sponsor the project and it is now the official program for all 19,500-member high schools and 12 million students.

*"For many years, the NFHS and eKnowledge have supported hundreds of Iowa families and students with heavily discounted top-rated SAT/ACT online prep resources. The IHSAA is extremely proud to continue our partnership with eKnowledge for the benefit of Iowa families."*
