*"Thank you, thank you, thank you!! Our first child is in her junior year at Clemson and is so thankful for this program and the boost of confidence it gave her going into her SAT tests years ago. She has now taken the PCAT successfully and is headed to her next phase of life soon. We just ordered the program for our son today and are very thankful for the help this will provide him as he prepares to take his first SAT. His Dad leaves to deploy in a week and will be gone again over the holidays this year. Programs like this help lift our spirits and make us feel cared about. We appreciate you more than you could know!"* The Howard Family 10-17-2013 US Air Force
