PowerPrep leads to 300% increase!!!!

Recently **Ms. Barksdale** contacted our office requesting assistance working with the ACT folks. Turns out that her son Nick, had studied with our ACT PowerPrep course and **improved SO MUCH that the ACT flagged his improvement--he went from the 21st to the 84th percentile (300% increase)** and the ACT people wanted to know what program he had used to make such an astounding improvement. Nick just started his freshman year of college. **Great JOB NICK!!!**
