In alliance with the Department of Defense and supported by caring athletes from the NFL and MLB, eKnowledge is donating \$200 SAT and ACT PowerPrep Programs to Military families. The SAT or ACT PowerPrep™ includes more than 11 hours of video instruction, sample questions, and practice tests. Students select the training they need and study at their own pace.

Eligible recipients include Service Members from all branches of the military who are active duty, retired, Veterans, Guard, Reserve, all DOD employees, and civilians

performing military support. Also eligible are relatives and dependants of anyone who otherwise qualifies from the prior list.

eKnowledge has donated over 200,000 PowerPrep Programs with a value of \$39 Million, at no profit to the company. This gift represents one of the largest private donations to Military families in US history.

*Great program! My son used the DVD and scored high enough on his SAT to get a 4 year academic scholarship to the University of Maryland. My daughter is next and we hope for the same outcome. Thank you so much for your support of military families!*

*Great!! Any extra help with the SAT and or ACT is greatly appreciated. After joining the military and being out of the class room for 4 years I realized that I need to touch up on my Math and English. eKnowledge and the NFL gave me a chance to do just that. THANK YOU!!*
