We have used eknowledge SAT/ ACT prep for both of my daughters - one now a sophomore in college and one now a senior in high school. Both of them found this was the BEST way for them to prepare for the test. My oldest was commended on the PSAT and my second daughter will most likely be a National Merit Finalist. Thank you so much for having this program available to them. It is a great program and was a definite benefit to our family. THANK YOU!

"I realize the critical importance of a good education; it is an honor to lend my support to the eKnowledge Project to help students with their college preparations"
