

SAT and ACT Test Prep Programs Discounted 90%

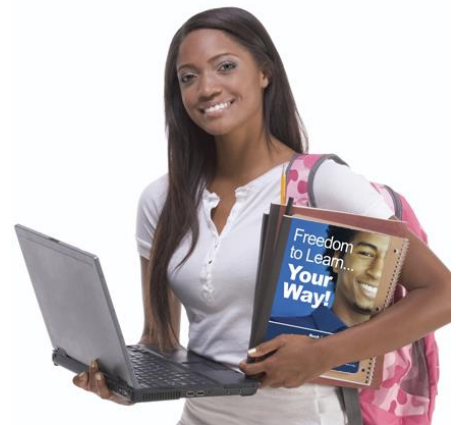

Good scores get noticed. Great scores get you in.

Every year, millions of children fall behind their peers because they lack high quality educational resources. eKnowledge is providing a resource to reverse that trend by offering nearly free SAT and ACT test preparation programs (online and/or DVD) and textbooks. Together we can close the achievement gap!

“My son is just beginning this scary part of his beyond high school journey and the sponsorship of free study software is greatly appreciated and is accepted with humble thanks.” Marti Gould.

Supported by caring professional athletes from the NFL and MLB, eKnowledge is offering \$200 - \$250 PowerPrep Programs for just the cost of providing the programs (under \$20). The fee covers everything, including: *materials, shipping, student support, and streaming.* You may request your programs at: www.eKnowledge.com/CFHS

These programs will help students master the SAT and ACT college entrance exams and receive more scholarship opportunities. The SAT and ACT PowerPrep™ Programs cover the facts about the exams and key strategies that prepares students for the demands of the SAT and ACT including academic knowledge, time-management, and test-taking strategies.

The PowerPrep programs give you exactly what you need to completely master every type of question you will encounter on test day. The material includes sample questions, practice tests, 11 hours of classroom video taught by professional instructors, 3000 files of supplemental test prep material, challenging drills, and new strategies for maximizing scores. Performing well on these practice tests is a top priority for students who want to maximize their future SAT and ACT scores and their scholarship opportunities.
