Prepare Now for 2014 Testing

**\$250 SAT and ACT PowerPrep Programs For Under \$20.00**

eKnowledge is offering \$250 SAT and ACT test prep programs for just the cost of providing the programs (under \$20)...the fee covers everything, including: materials, shipping, student support, and streaming. You may request your programs online: [www.eknowledge.com/NASOceana](http://www.eknowledge.com/NASOceana)

The Military Donation Project is in alliance with the DOD and supported by over 100 Partners including NFL and MLB players. In 8 years, eKnowledge has donated more than 200,000 SAT/ACT programs valued over \$44 million – no profit is created by the donation effort and all proceeds are reinvested to improve the program.

**eKnowledge has received thousands of thank you notes from families just like yours:**

*"Thank you for your sponsorship. I have two children in high school preparing for the ACT and Sat tests. Without your generous help I could not afford the quality tutorship these programs will provide them. Your assistance is a godsend to my family once again Thank you very much."*

The SAT and ACT PowerPrep™ Programs are available online or on a single DVD. Programs include more than 11 hours of video instruction and 3000 files of supplemental test prep material, thousands of interactive diagnostic tools, sample questions, and practice tests Students select the training they need and study at their own pace.

## **2013/2014 SAT and ACT TEST DATES**

<b>SAT</b>	January 25	March 8	May 3	June 7
<b>ACT</b>	February 8	April 12	June 14	

The SAT/ACT Project waives 100% of the retail cost (\$200 to \$250) of all STANDARD version programs and up to 93% of all other programs and services (up to \$1,575). For Standard Programs there is a nominal per program, student fee of under \$20 for materials, shipping or streaming.

For further information contact Lori Caputo, 951-256-4076 [LoriCaputo@eknowledge.com](mailto:LoriCaputo@eknowledge.com)

- The ACT is a curriculum-based test that covers English, reading, math and science. The test is all multiple choice with an optional writing section which is not scored.
- The SAT is designed to test a student's problem solving and thinking skills. It does not directly test a student's knowledge of reading or math. Science is not covered on this test. The SAT is part multiple choice and part writing.
