

\$250 SAT and ACT Test Prep Programs Discounted 95%

Salvation Army

December 2013

\$250 SAT and ACT college test preparation programs are available for less than \$20.00 compliments of leading educational software company eKnowledge.

The SAT and ACT PowerPrep Program is nearly free -- there is a nominal charge (less than \$20.00) for materials and shipping. The programs consist of 11 hours of video instruction, 3,000 files of supplemental test prep material, sample questions and practice tests. Students select the training they need and study at their own pace.

The sponsorship is entering its ninth year and has donated 200,000 programs valued at over \$44 million at no profit to the company. The eKnowledge Donation Project is in alliance with the DoD, all branches of the US Military and over 150 organizations, groups and foundations including Boy Scouts of America, American Red Cross, National Federation of High Schools, National Catholic Education Organization and Boys and Girls Clubs of America.
